Mr Frank Spair
Dunn Field
Trenton N.J.

Dear Mr Spair:

I am writing first to confirm the date of Friday May 26th, The Eagles to play The Cuban Stars at Dunn Field, 8.15 P.M.

We are to pay 20% for park rent, pay all the help, use our own balls, and pay for the lights.

I want to ask you will you handle the newspapers for me. I will have publicity sent to them directly, but I will ask you to handle the money. I think 5% of the net should take care of the publicity nicely. Most places we play they are very glad to work this way. The harder they work, the more people in the park, the more money they get. Would you be able to do this for me? We do not have much time, but if they work with us all next week, that should do the job.

I will have some stuff sent directly to the Trenton papers. If you prefer me sending it to you, telephone me collect.

I hope things work out alright, we would like to be able to come to Trenton as often as possible. Please let me hear from you.

Very Truly Yours
